

EarMitts®

Bandless Ear Muffs

EarMitts® revolutionary design fits securely on your ears, keeping them protected from wind and cold weather. EarMitts® are specially engineered so you can wear them on your ears like a pair of gloves. They don't interfere with your hairstyle, and conveniently fit inside any coat, pocket, handbag or backpack.

STEP 1 — Bend top and bottom of EarMitts®.

STEP 2 — Hold EarMitts® up to your head with flat side facing toward your face and rounded side toward back of head.

STEP 3 — Slide EarMitts® on to the top and back of ear. "Wiggle" EarMitts® so that entire ear is comfortably inside "ear pocket."

STEP 4 — Simply flatten the palm of your hand, gently pressing EarMitts® against your head, firmly securing it.

STEP 5 — That's all there is to it!
